

## SEC “One-Click” Training System Access Exception List

This document lists all courses that are not compatible with SEC “One-Click” Access\* via <https://learn.sap/classroom>. Please check prior to your training, if the course you are teaching is one of those exceptional courses.

**NOTE:** for Customer Specific and Workshop events, please check with the event owner or course coordinator on the individual course combination.

Course	Collection	Course	Collection
BYD20	83	EDB377	15
BYD30	92	EDB785	10
BYD40	92	EDB795	98
C4H260	92	HY200	06
C4H520	91		
DEV355	15		
DEV523	15		

### Common Training WTS Access

For all courses that are listed above, please access your SAP Training System via the Common Training WTS (<https://access.sap.com>).

The required login steps for SAP training events,

- inside SAP Training Center Locations will be provided via mail by Regional Education Resourcing Specialist or Customer Advocate
- outside SAP Training Center Locations are available under the Download section of <https://access.sap.com> (i.e. SAP Education: Technical Manual for Customer Training)

For additional information, please reach out to your Regional Education Resourcing Specialist or Customer Advocate.

*\*SEC “One-Click” Training System Access is only offered for SAP Classroom, Customer On-Site / Inhouse or SAP Live Class Events using an SAP Education Cloud training system (i.e. TD-xxxxxxx-###, DA-xxxxxxx-###, etc.).*
